CORE PROTECTION BENEFITS

ACCIDENT AND SICKNESS BENEFIT

Cash benefits between €300 and €3,000 monthly

If you're unable to work due to accident or sickness, your policy will start to pay you benefits once your deferred period has elapsed (choose from 14, 30 or 90 days). You'll receive this benefit for up to 12 months and what's more, the built-in Waiver of Premium feature means that any premiums you pay during your claim period will be refunded to you.

The maximum monthly benefit available is 60% of your gross monthly income if you're employed, or 60% of your taxable monthly income if you're self employed.

HOSPITALISATION BENEFIT

Cash benefits between €30 and €300 daily

If you are hospitalised for more than 48 hours, the policy will pay you 10% of your monthly benefit for each subsequent 24 hours that you remain in hospital. This is payable for up to 30 days per policy year.

In addition you'll still receive your monthly benefit.

SPECIFIED ILLNESS BENEFIT

Cash benefit up to €36,000

If you are diagnosed with any of the following conditions, we will pay your claim along with a lump sum payment of 12 times your monthly benefit to help you get back on your feet again: Cancer (excluding less advanced cases), Cardiac Arrest, Stroke, Loss of Independent Existence, Alzheimer's Disease and Aorta Graft Surgery.

AN APPLICATION PROCESS YOU'LL LOVE

A common question asked when choosing the right insurance product is, how easy is it to apply?

We understand that policyholders want the whole process to be as easy as possible, which is why we've taken great care to give you an application process that's really straightforward. Because of that, we're delighted to tell you that:

COVER IS GUARANTEED

When you apply for this plan, providing you're eligible, you're **guaranteed** cover under our moratorium clause.

NO MEDICALS

There are **NO** lengthy and intrusive medical questionnaires, **NO** examinations and **NO** waiting for GP reports required to process your application.

We've cut out all of the unnecessary paperwork to make the application process quick and simple, so you can get covered without delay.

CHOOSING THE RIGHT DEFERRED PERIOD FOR YOUR NEEDS

The deferred period is the length of time you wait, following incapacitation, before any monthly benefit becomes payable. We've designed this plan to give you a great range of flexibility - you can choose a deferred period of 14, 30 or 90 days.
