The policy will not pay any benefit for an accident that is directly or indirectly caused by or while undertaking any of the following:

- ✗ Radiation or contamination or the effects of radiation
- ✗ Any sickness, disease, or degenerative process (a condition which becomes progressively worse)

In addition, we will not pay benefit for any:

- ✗ Accident which happens to an insured person who has been outside the Republic of Ireland for more than 12 weeks in the preceding 52-week period. This exclusion does not apply if we have agreed to provide this cover
- ✗ Accidental death that happens 12 or more months after the accident.

Are there any restrictions on cover?

- ! Cover is available to customers aged between 18 and under 65 at the start of the policy. Cover ends when you reach 70. Child must be under the age of 18 (or 23 years of age if in full-time education) and living permanently with you in the same household.
- ! The policyholder must be resident in the Republic of Ireland at the start date of the policy.
- ! The maximum number of fracture claims in each 12-month period is 4.
- ! There is a maximum total benefit during the life of the policy for each person. This is Bronze €50,000; Silver €75,000; Gold €100,000 (reduced amounts for children). If we pay the maximum, their cover will end.
- ! If you choose to cover your partner and children, there is a maximum total benefit during the life of the policy for everyone covered. This is Bronze €100,000; Silver €150,000; Gold €200,000. If we pay the maximum, the policy will end.
- ! We will not pay a combination of benefits that add up to more than the benefit for a more serious injury. For example, the combined benefits for loss of use of and elbow, wrist, thumb and two fingers on the same arm is more than we would pay for the loss of use of the arm, so we would pay up to the limit for loss of use of the arm.
